

Nicolet Country Club

We opened for business back in 1960, as a 9-hole golf course. In 1980, Nicolet Country Club added a challenging back 9 and developed a modern new Pro Shop. In 1994, our classic lounge and restaurant were added. This facility is One-Of-A-Kind! It is owned by 500 members and stockholders, yet it is open to the public and guests. Please enjoy our facility including an 18-hole golf course, driving range, practice putting green, professionally stocked Pro Shop, and of course our lounge and restaurant!
